

# Simpl-Slide®

## Adjustable Adhesive Application System

*Custom slide-tray for applying Simpl-Sealant®  
in a variety of configurations.*

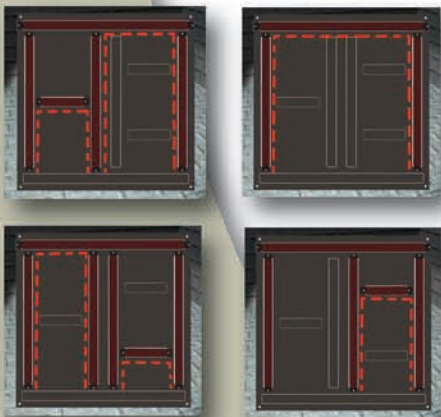

Simpl-Slide® trays are the basic entry-level Simpl-Sealant® applicators for very small packaging operations. Standard or custom models (designed to the specifications of your package) are available. All models are adjustable to accommodate a variety of clamshell sizes and configurations.

### FEATURES

- Holds 48 oz. (1.5 liters) of Simpl-Sealant® adhesive
- Adhesive is “wicked up” to hidden sidewalls that transfer the sealant to sidewalls of plastic package
- Fast, clean, easy-to-use operation

Protected by U.S. Patent No.: 6,780,246 B1
