

RENTAL PROGRAM

Simpl-Seal® Sealing System

Environmentally friendly and fiscally sound sealing system that uses Partner Pak's patented UV light sealing method. Simpl-Seal® saves up to 90% in energy consumption compared to RF, sonic and heat sealing equipment. Available in a variety of configurations; all adaptable to operate in conjunction with the Simpl-Track® Workstation. UV chamber opening has a standard height of 5-inches. Larger custom opening sizes are available.

Shown: Simpl-Seal 15T
