DYMAX PARTNERS WITH PARTNER PAK

DYMAX Corporation of Torrington, CT, and PARTNER PAK, INC. of Huntington Beach, CA, announced that today they entered into an exclusive supply and support agreement for the plastic clamshell and blister packaging marketplace. PARTNER PAK has long been an innovator for this industry by designing machinery, robotic automation, clamshells, blisters, and the patented ClamCard®. These innovations minimize labor costs and provide environmentally-friendly results. DYMAX is a pioneer and market leader in light-curing chemistries and light-curing equipment used in such varied industries as medical disposables, glass assembly, electronic circuit protection and ruggedizing, aerospace, and automotive component assembly.

DYMAX products for sealing PET, RPET and PVC plastic packaging – including the ground-breaking pat.pending 3083-T-B2C which changes from blue to clear when a clamshell or blister is sealed, thus providing placement and process verification – will now carry the PARTNER PAK *Simpl-Sealant*® name as *Simpl-Sealant*® by DYMAX. PARTNER PAK will service the needs of this market with the full support of DYMAX Corporation including Application Engineering, Sales, and R&D.

Paul Appelbaum, President of PARTNER PAK, and Greg Bachmann, President of DYMAX Corporation, herald this as a marriage of strengths which will accrue numerous benefits to an industry that is rapidly evolving to meet the environmentally-conscious needs of today's world. For more information contact PARTNER PAK at info@partnerpak.com.
